April 7
May 5

Preschool Services Team

- Team members will provide screening for any Early Childhood referrals made to the school district.

Parent Meetings and Trainings

- Team members will collaborate with local Head Start to plan and implement parent meetings / trainings throughout the year.
- Sample topics include dealing with difficult behaviors, and child development.

Parent Teacher Conferences

- Staff Members will conduct parent-teacher conferences and home visits on an as needed basis. We also have schedule apt. during our annual parent / teacher congerances in the fall and spring each year.

Parent Advisory Counsel

- Our Parent Advisory Counsel (PAC) will meet once a month during this time to collaborate, plan, and implement programs and activities for preschool families and students.

Open Center

- One classroom per month will be open for parents to come with their child and utilize the materials in the classroom with their child.
- Activities will be planned for parent-child interaction during this time.

Tuition Recording

- Team members will collect tuition payment for the month.
