

How to Manage your LCS Listserv Accounts

As the new school year is about to begin, you may be wondering how to make changes to your Lancaster City Schools listserv subscriptions. Your child may be moving from Elementary School to Junior High, from Jr. High to the High School, or maybe you have moved and changed to another school over the summer. Here are a few pointers to help you make the necessary changes in your subscription(s) in order to keep informed about what's going on at your child's school or extra-curricular activity.

Any changes you need to make can be done at the listserv home page:

<http://listserv.laca.org/listserv/wa.exe?HOME>

The link to this page is also available from the Lancaster City Schools webpage <http://www.lancaster.k12.oh.us> under the "Parents & Students" drop down at the top of the page. It is the "District Listserv Signup" link.

The screenshot shows the LISTSERV 16.0 interface. At the top, there's a navigation bar with "Subscriber's Corner" and "Email Lists" links, and a "Log In" button. Below this is a "LISTSERV Archives" section with a home icon. The main content area is titled "LISTSERV.LACA.ORG" and contains a table of lists. To the right of the table are sections for "Access Unlisted Lists" (with a search box), "Options" (with "Log In", "Get Password", and "Search Archives" links), and "Resources" (with "About LISTSERV" and "LISTSERV Documentation" links).
